Forecast for Tuesday 19 Apr 2022

Weather: Rather cloudy skies expected through the day with scattered showers, these most prevalent and occasionally heavy in the afternoon. Sleet or wet snow expected on the very highest tops. Western coastal ranges, Assynt and the far north may well see some drier and bright conditions in the afternoon. Turning mainly dry through the evening.

Chance of cloud-free hill tops above 800m: 70%

Low cloud and visibility: Generally very good with good air clarity. Cloud down to 600 metres at first, but bases lifting to 750 metres or higher by afternoon. Low cloud likely to be fairly widespread at first, becoming much more broken by afternoon.
